

## What True Community Looks Like (Part 2)

Hebrews 10:24-25

### MESSAGE NOTES

True Community:

1. Requires getting to know other people

2. Has a motivating effect on one another

3. Only happens in groups

4. Includes encouraging talks

5. Should not be diminishing but increasing

## **DISCUSSION QUESTIONS**

What stood out to you about this message?

Was there a specific truth that impacted you personally?

What are some of the challenges of really getting to know other people? How can we overcome the challenges?

Give an example of a time when another believer “stimulated” you to love and good works.

It was stated in the message that “True community only happens in groups, and it cannot happen only in large groups. Small group gatherings are vital to true community.” What are some obvious reasons this is true? What are some less obvious reasons this is true?

What are some of the difficulties with “exhorting one another”? How can we overcome these difficulties?

What are some tips on effectively encouraging/exhorting others?

How can you implement something you have learned from this message?

**Prayer Focus:** Pray that true community will not diminish, but increase in our church and in Simpsonville, South Carolina.
