

## What True Community Looks Like (Part 4)

### Acts 2:46-47

#### MESSAGE NOTES

*Community* – a group of people with something in common

Christian fellowship/community is a fact. It is also an experience.

We practice true community when we:

#### Romans 12

- Use our gifts for the good of the body
- Love each other like family
- Intercede for one another
- Share material things when someone has a need

#### Hebrews 10

- Get to know each other
- Motivate and encourage each other to selflessness and service

#### Philippians 4

- Care about Gospel work and the people who do it
- See others' needs as our own
- Partner and invest in Gospel work with our financial support
- Worship and please God corporately with our financial offerings

#### Acts 2

- Gather in large groups
- And gather in smaller groups
  - Praying together
  - Discussing and applying the Word together
  - Sharing life together
  - Exhorting and edifying each other in love
